

NUKKAD NAATAK

We are taught that drama is a phenomenal mode of communication where the character connects to the audience apace. Mr. Google says, “Street plays have been an integral part of the Indian tradition. The idea of a street play is to promulgate social and political messages in a humorous and sarcastic way and to engender awareness among the masses. A street play or “nukkad naatak” is characterized by highly vehement and frisky performance so as to attract maximum crowd.” Energy! Enthusiasm! Got it all? Then what are you hanging about?
